Cobventry, England.
November 1863.

I do not know
if it was for good
or ill that you met the Scotts,
my dears.

Goa, June, 1820.

Amelia.
So, is the plan
in place?

Yes. The actors
are on the stage. And Manu
leads them ahhhh

...to the show

OOHH

UHHH

Then, if not Katherine,
than I shall at least have Sarah at the
picnic today.

You are right, sister.
The heat is too much here
and I do need to find
more appropriate
clothes.

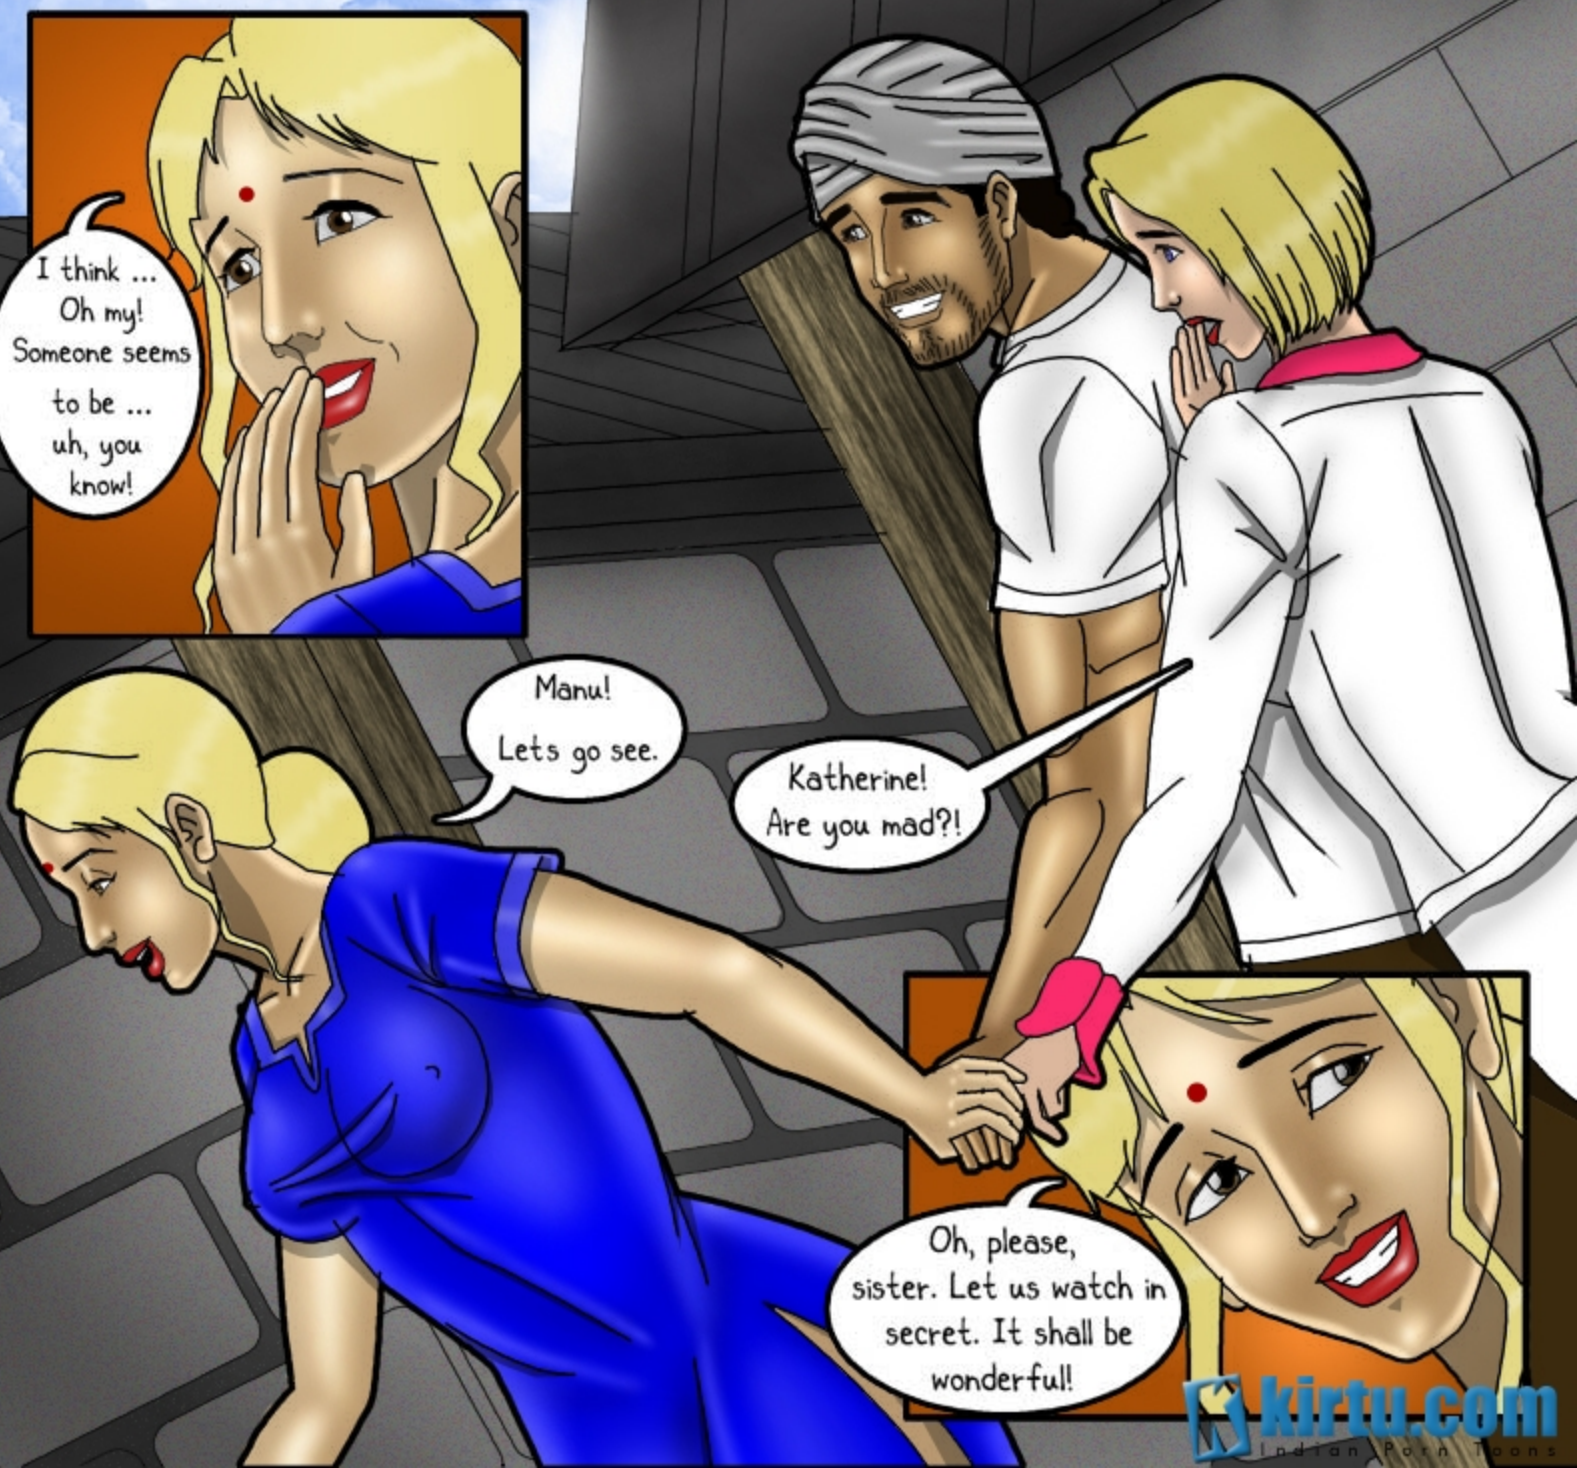

Though,
Kat, are you certain
your clothes are
appropriate?

Oh, Sarah.
We are not in England
any more. Remember why we
came here?

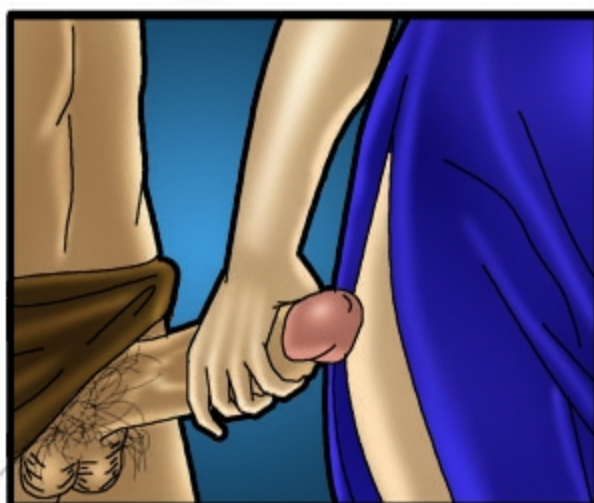

While my wife and sister in law were being corrupted by the Scotts, the bastard Ravi had been making his own plans.

Oh, Ryan.
Where are you
my love?

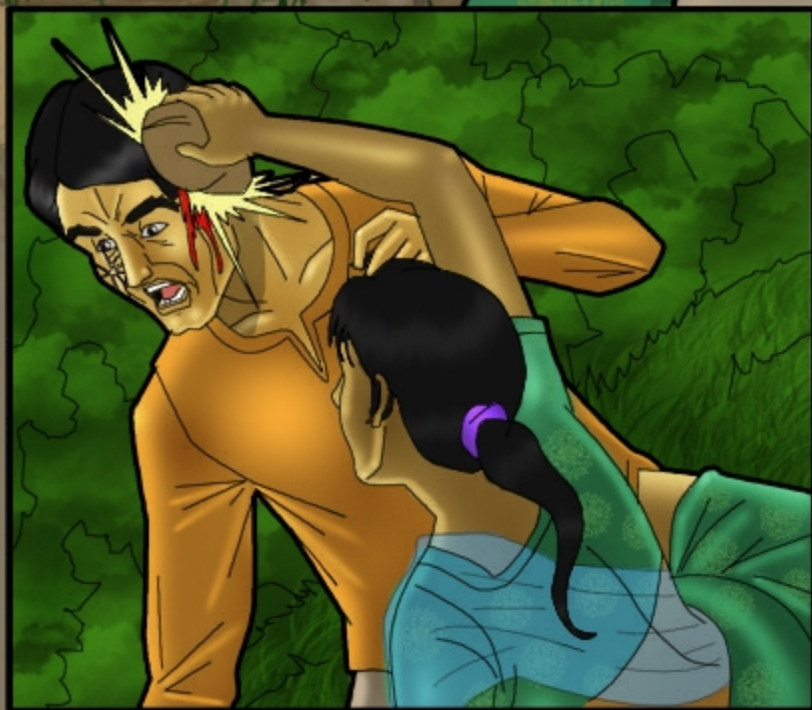

So, you still wait
for that Gora bastard!
Three days and you
still haven't
learned.

Ravi bhail
What ... what
are you doing
here?

Oh, god!
What have I
done!

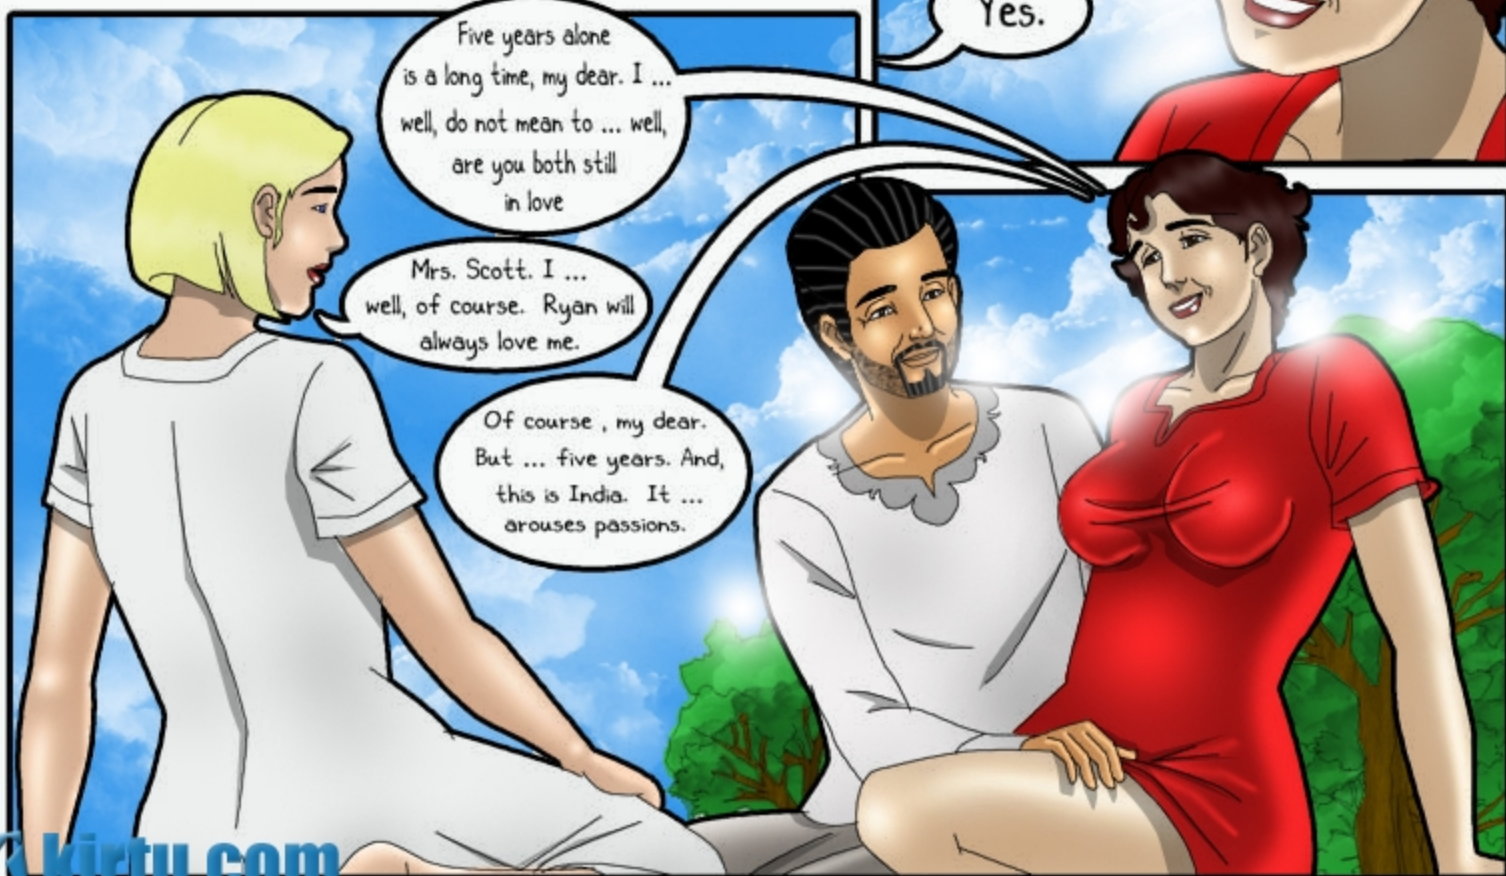

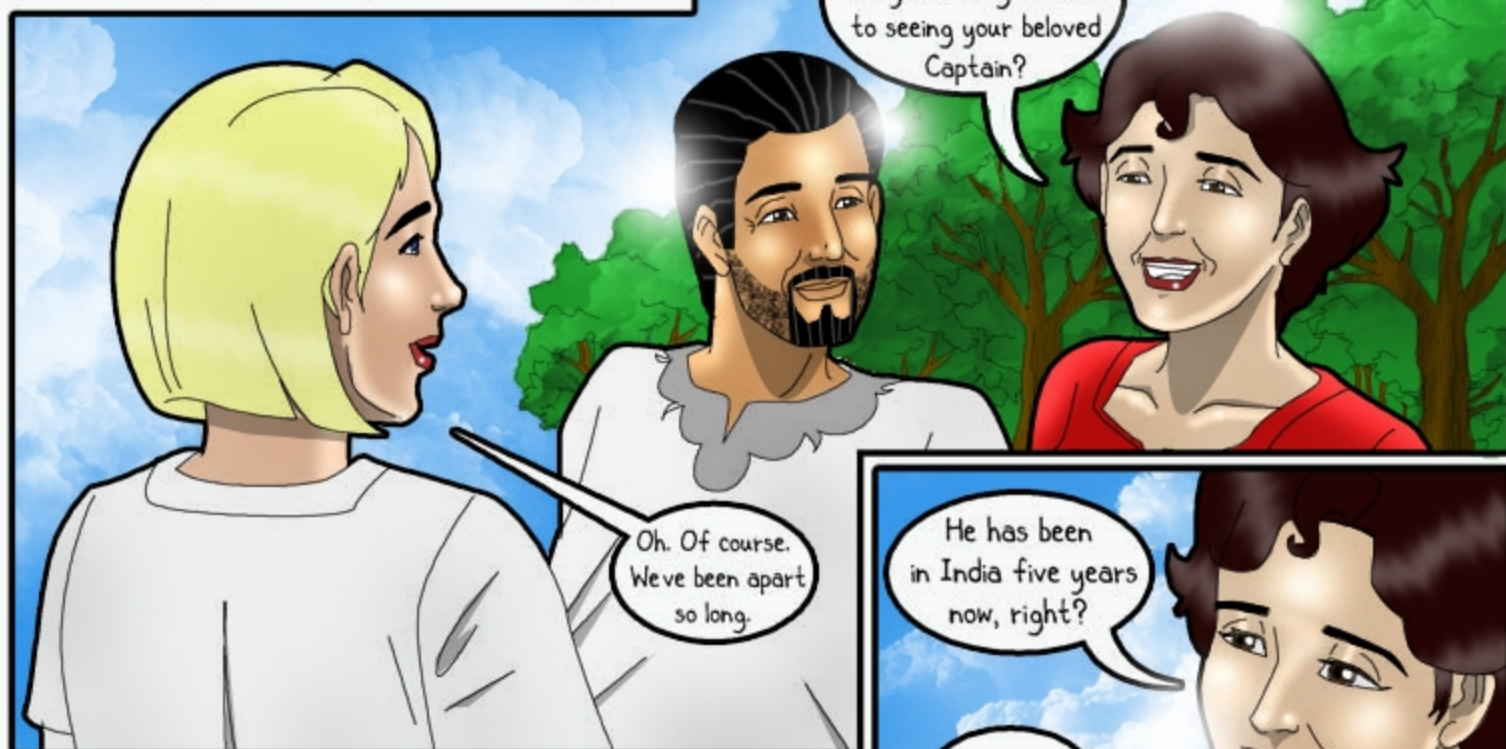

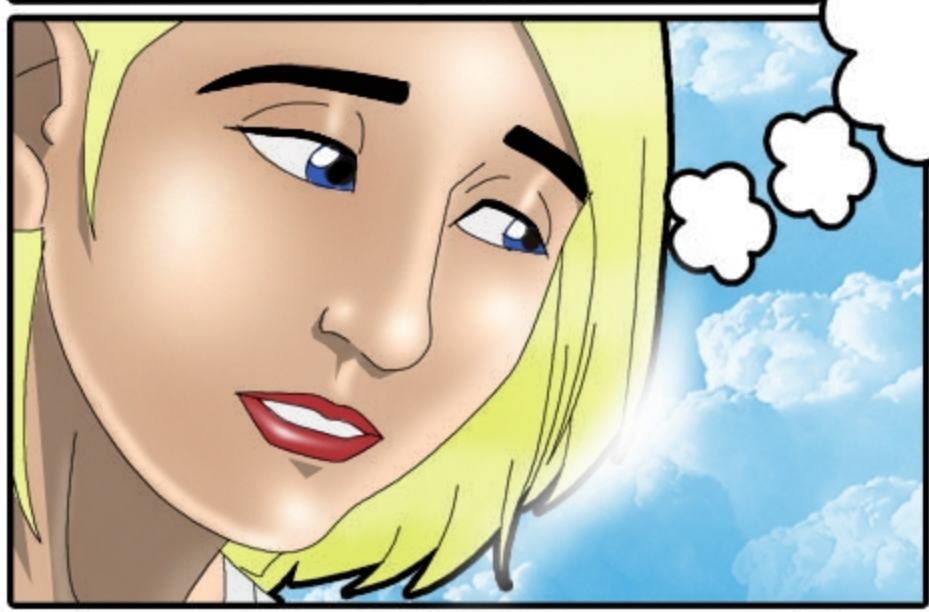

You little bitch.
I'm going to hurt you,
now. Yes, I'll hurt
you for this.

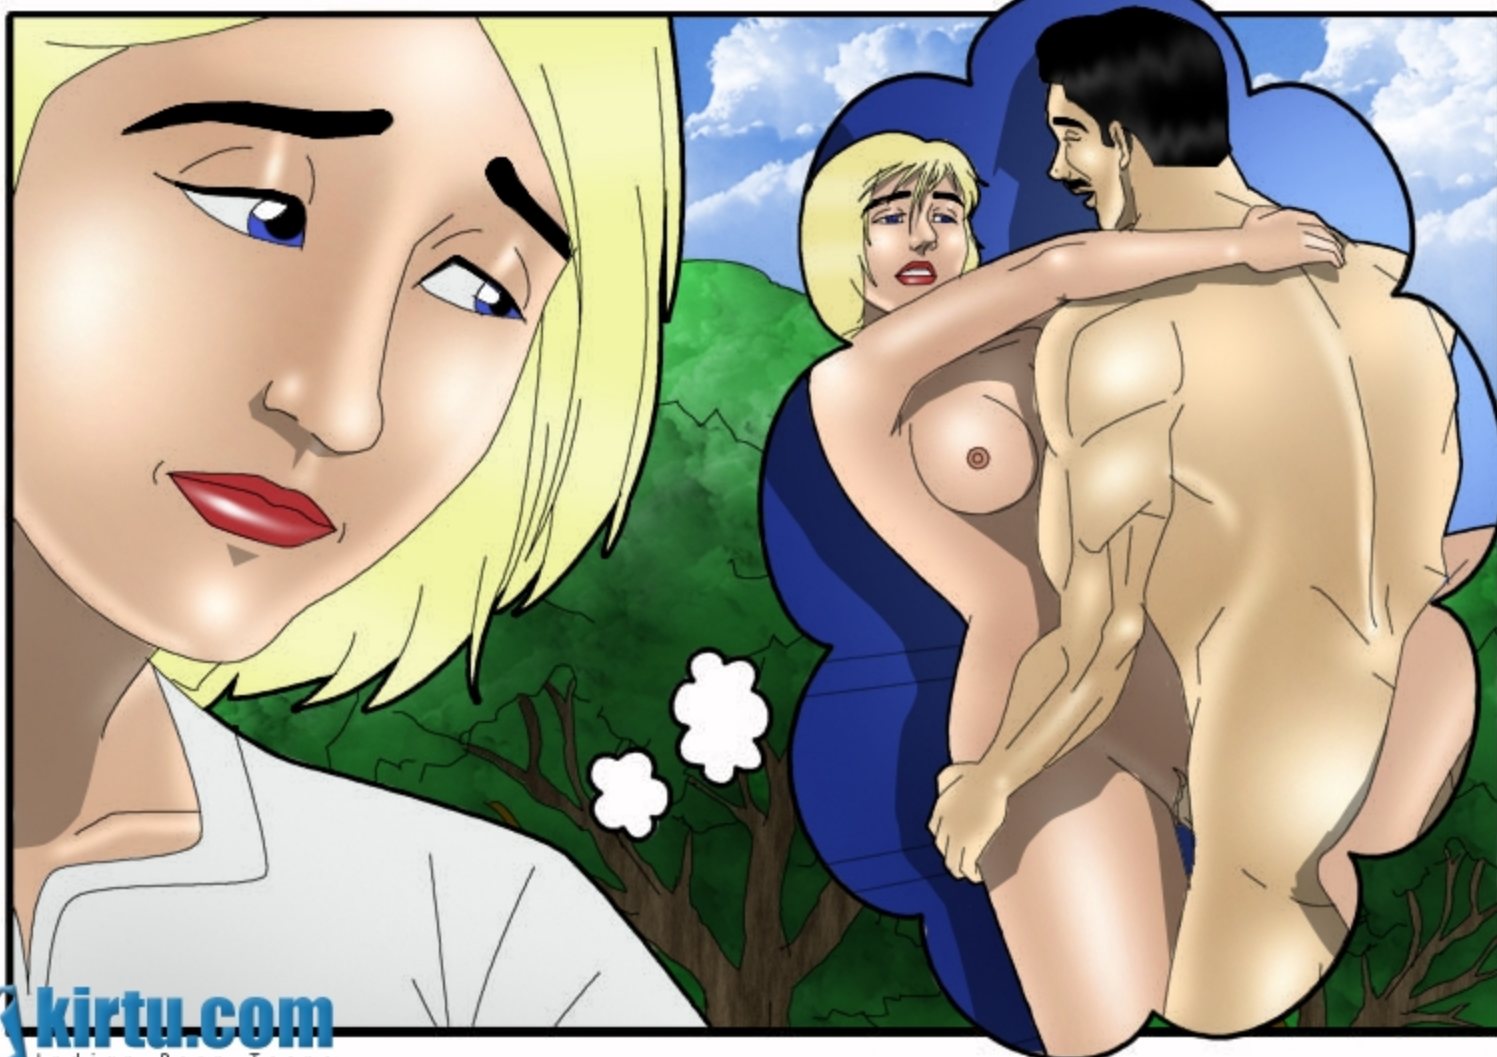

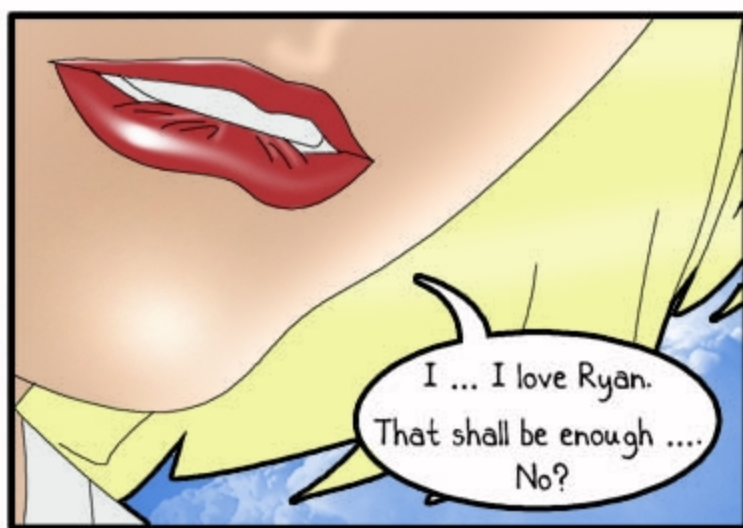

MEANWHILE,
IN GOA.

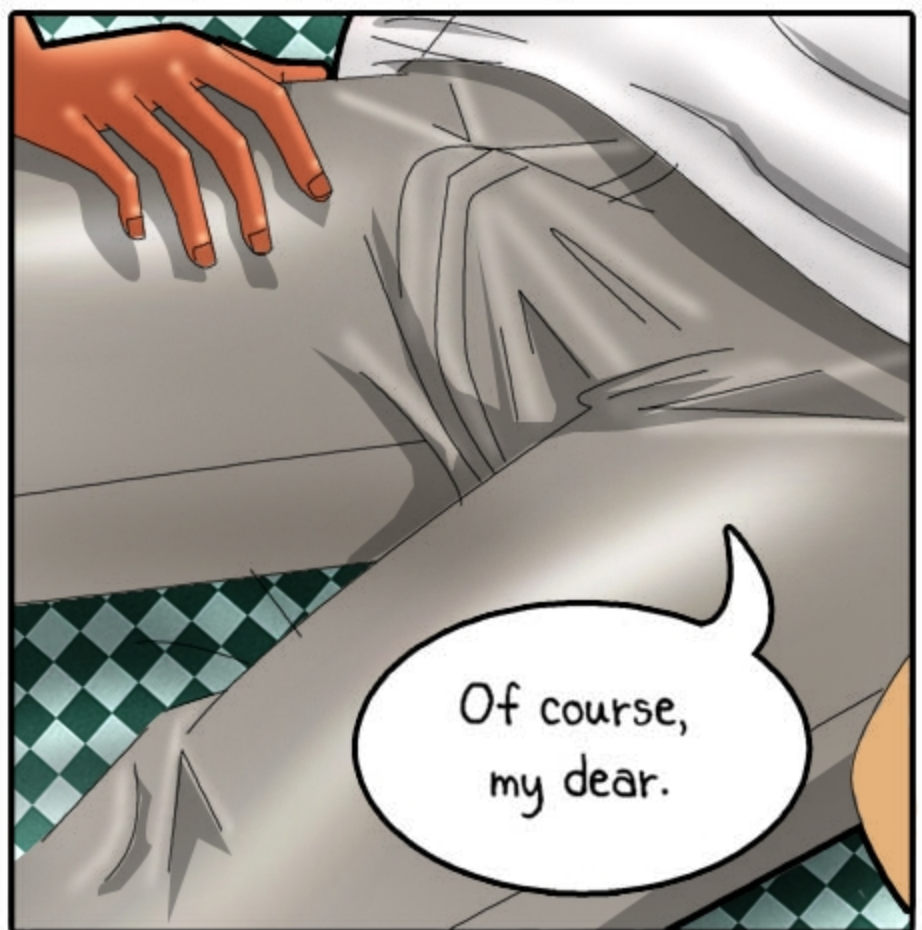

It would seem,
my dear Sarah,
that young Katherine
has truly
adopted the ways of this
wonderful land.

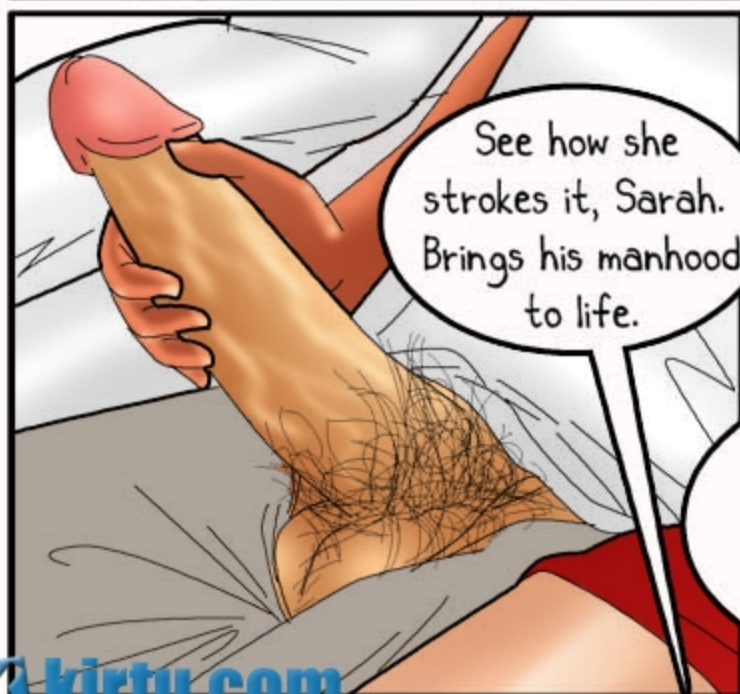

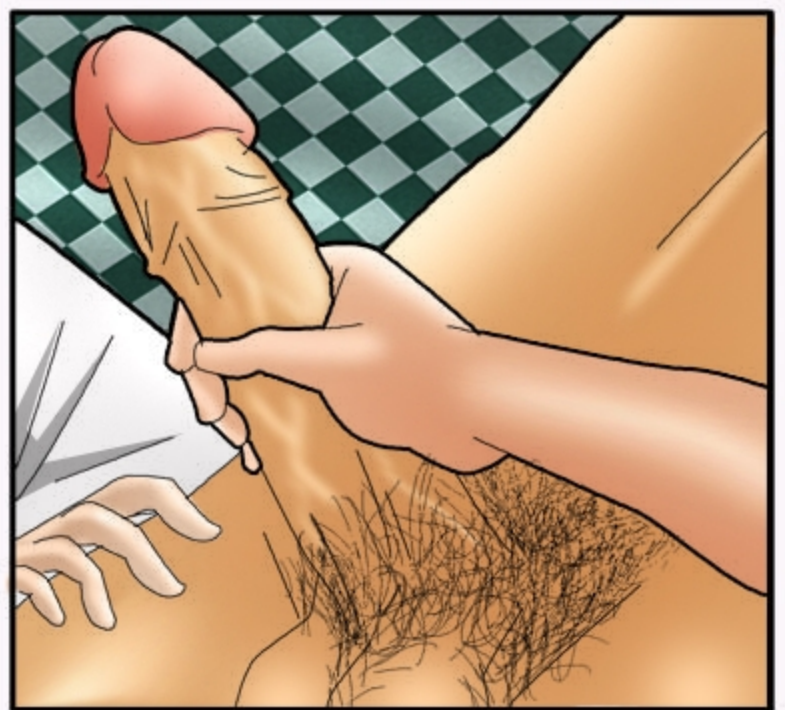

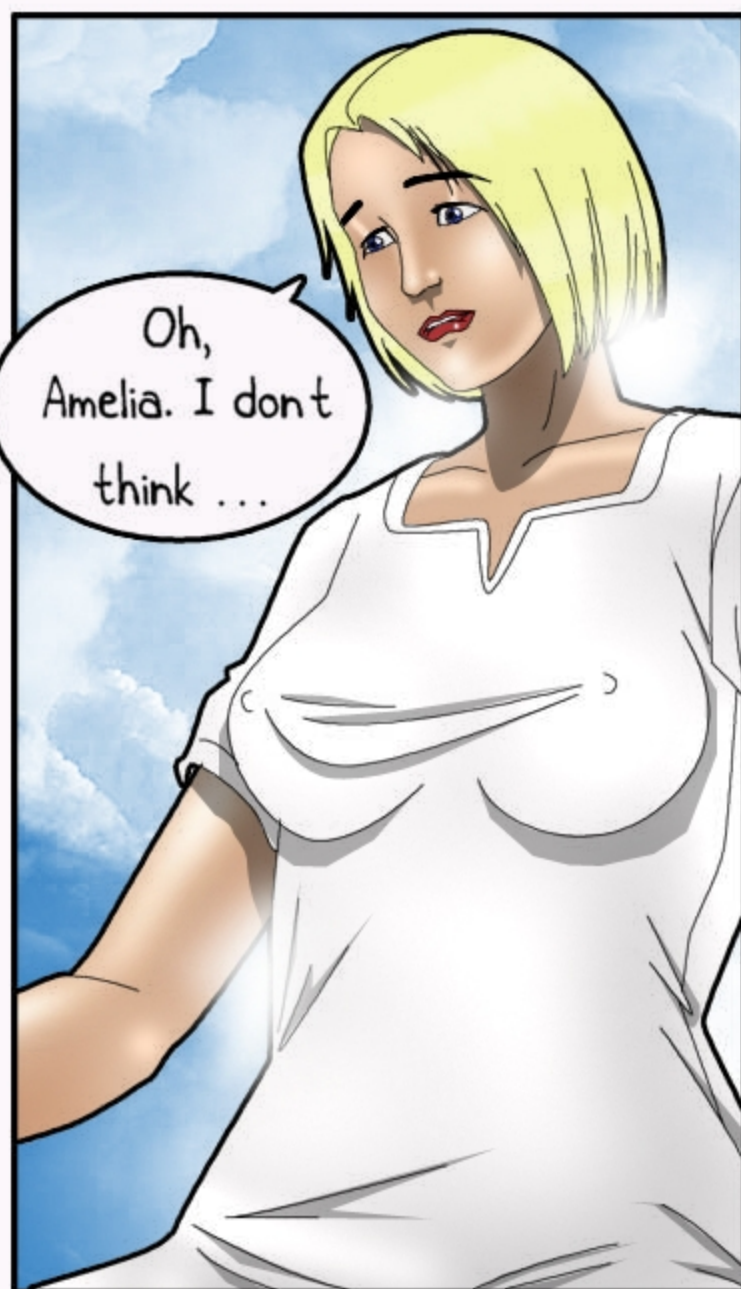

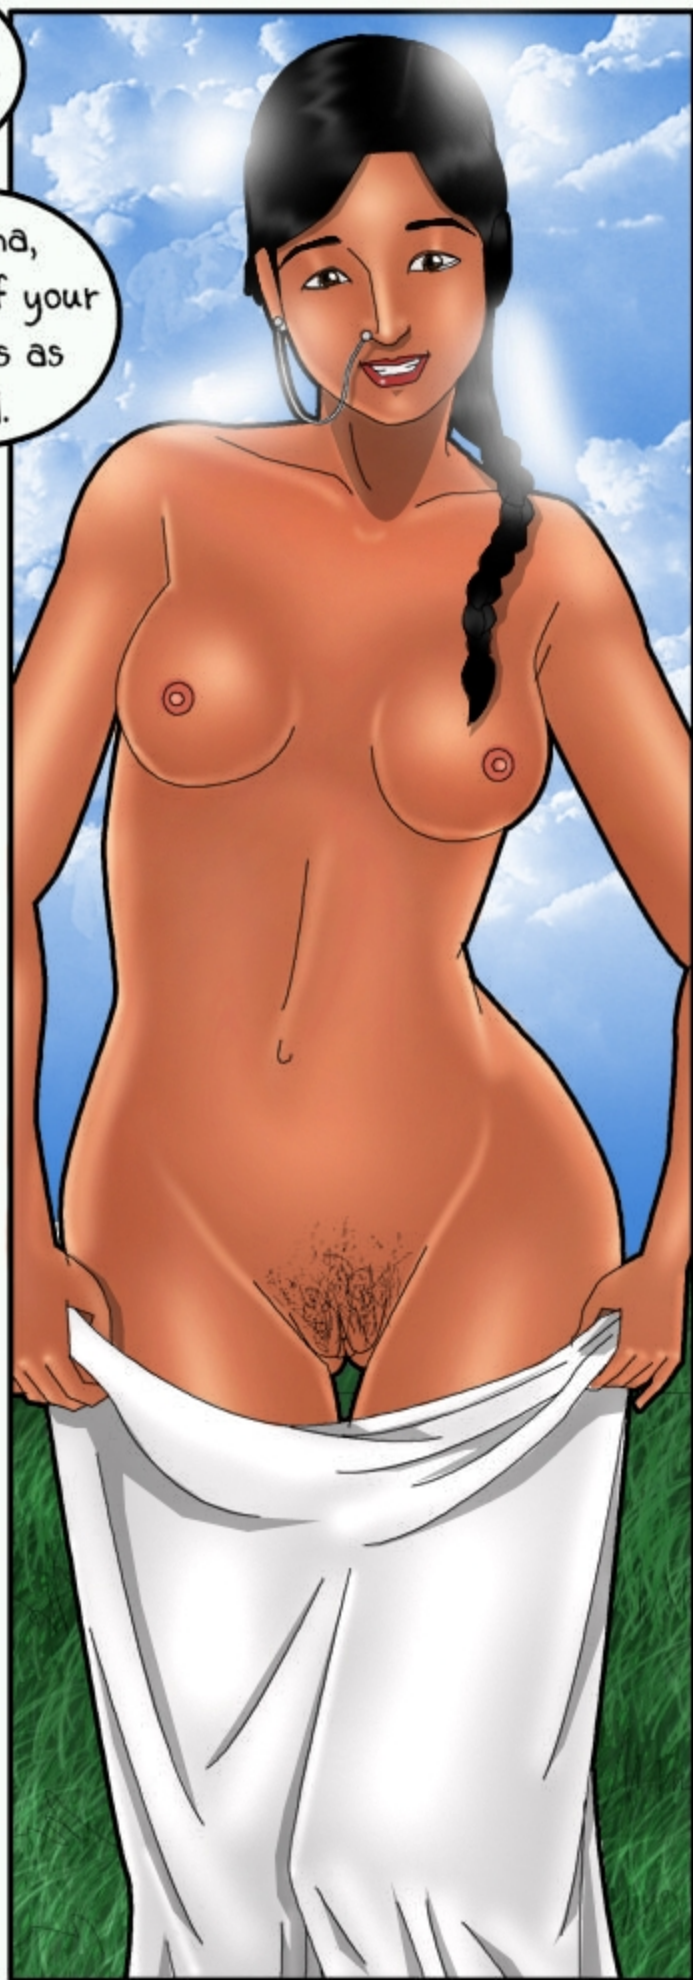

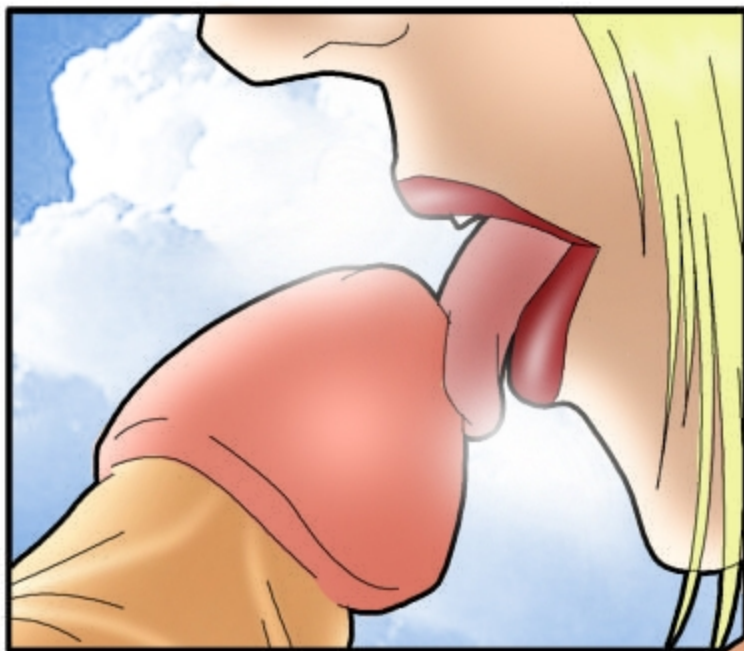

Ooooooh.
Pad ... Padma ...

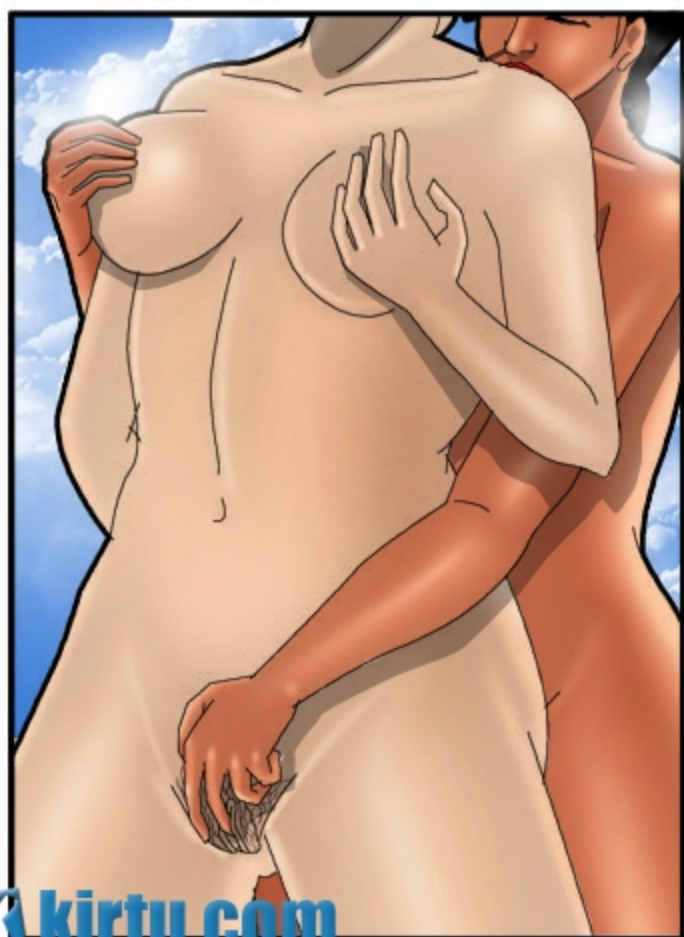

help our
dear Sarah.

Sarah ...
ohhhh.

Let us
see what
awaits Captain
Winter.

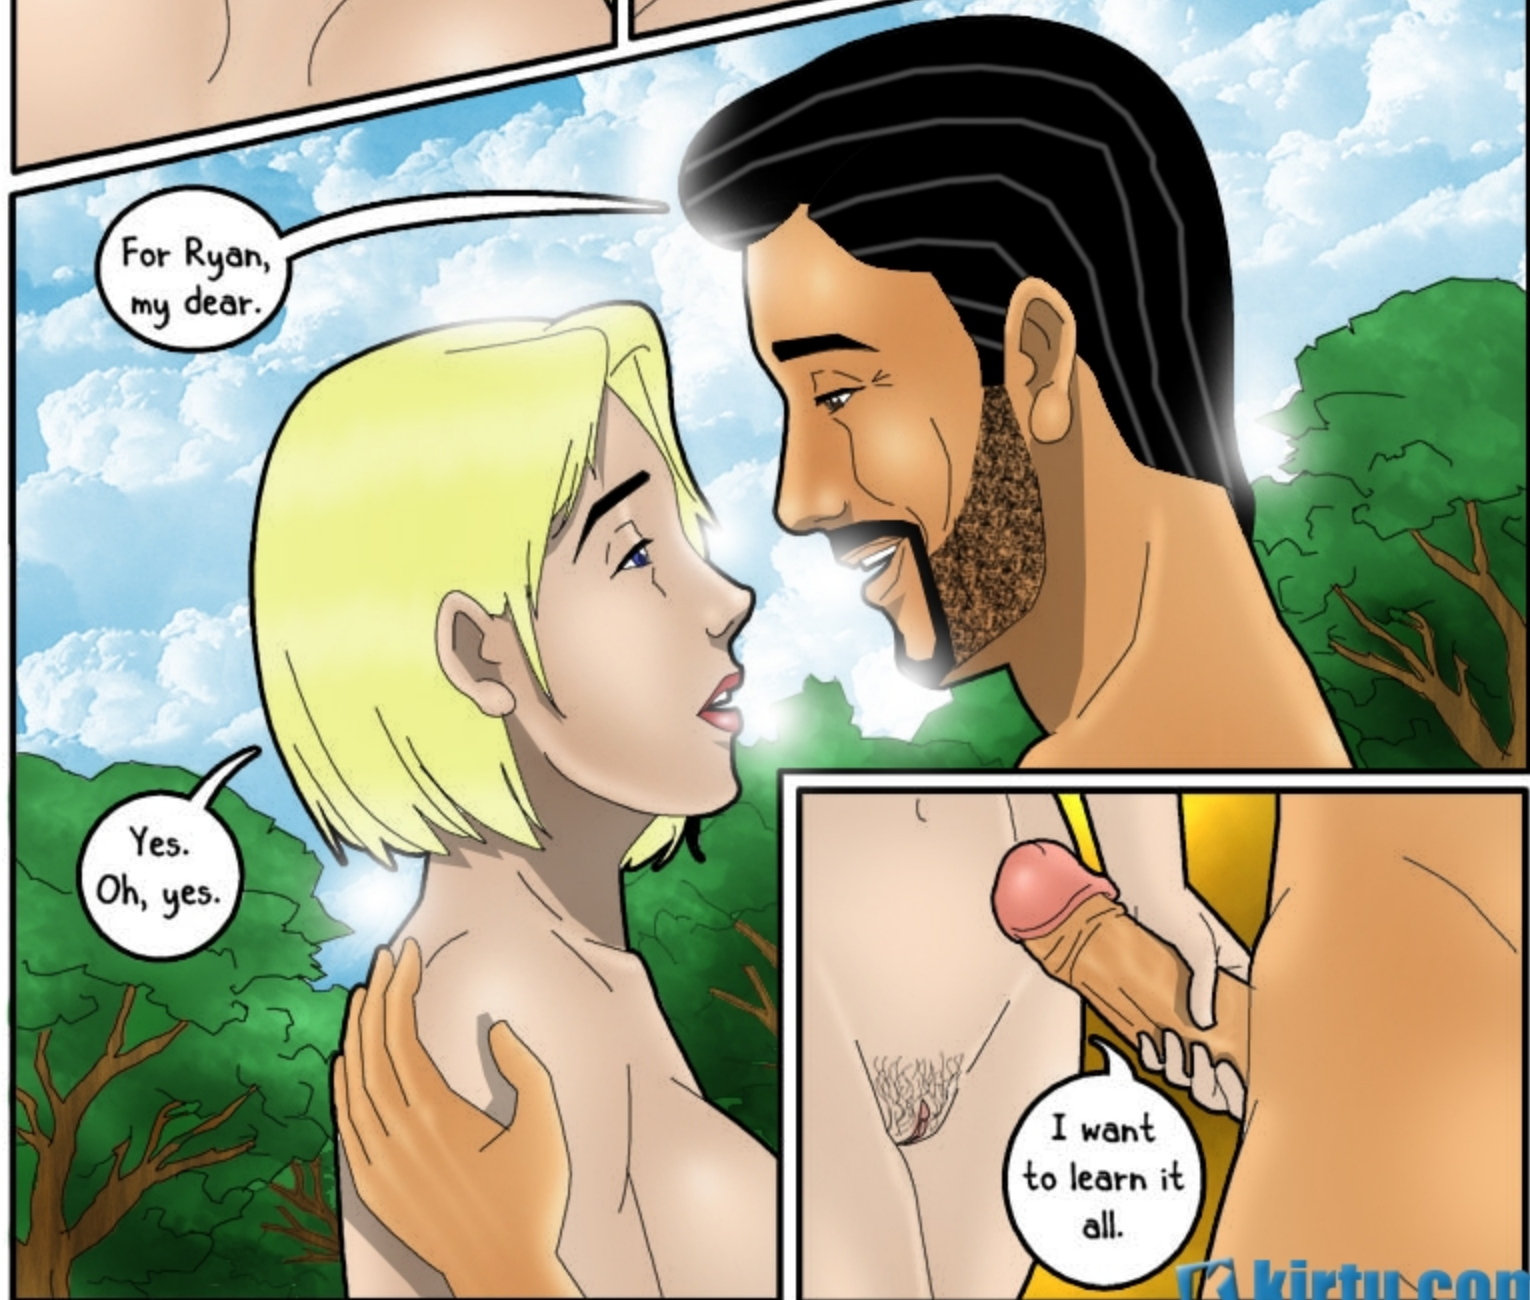

MEANWHILE ...

It seems, Katherine, that your sister has found Kamadeva.

Mr. Scott. Oh,
Mr. Scott. I never knew how ...
oh, how wonderful
that feels.

Mmmm ...
Teach her, my dear
Oliver. Teach
her well.

Uh ... So good.
Don't stop. Please,
don't stop.

Oh, Sarah...
oh ...oh! I'm
going to ...

Oh,
Katherine ...
Oh! I'm going
to...

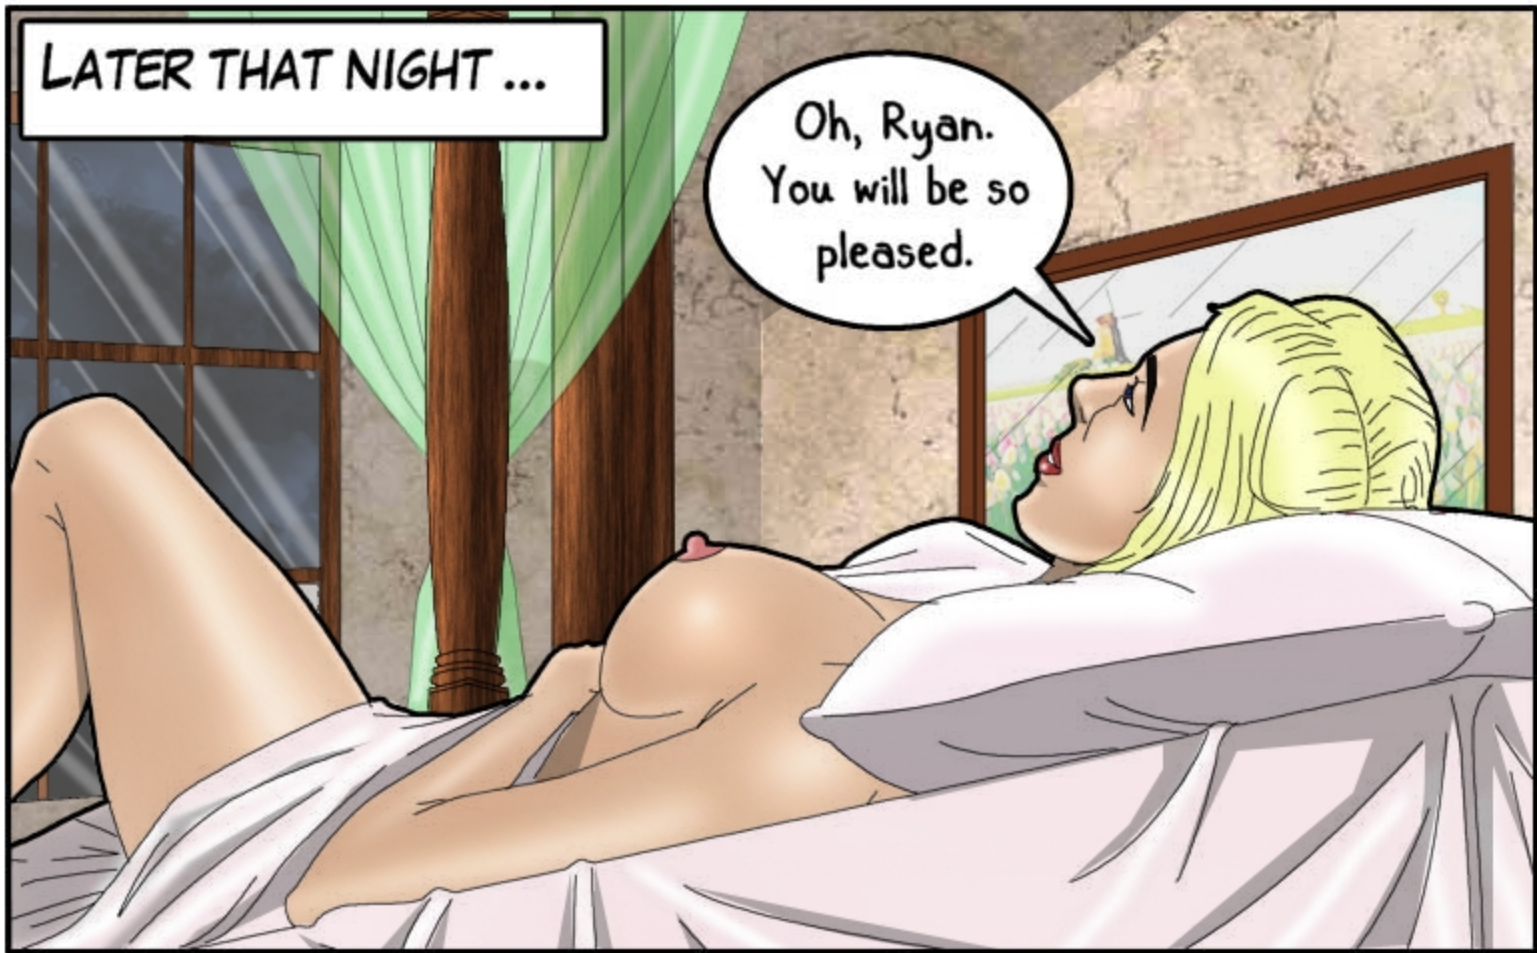

Oh!
Mr. Scott!

Oh!
Manu!

LATER THAT NIGHT ...

Oh, Ryan.
You will be so
pleased.

Freedom.
Oh, such
freedom.

I
love
India.
